FOREWORD

The *Statistics of Queensland* has hitherto been issued in eight separate parts, each dealing with a section of statistics. The eight parts were prepared in such a form that they could subsequently be bound together to form a complete annual volume.

Starting with this 1962–63 issue, the parts will be issued as independent publications, and no annual volume will be published. Libraries and others may wish to bind these according to their own pattern, either as annual volumes or as volumes containing a series of particular parts.
